You will note that our buyers premium has increased from 10% to 12.5%. This was a carefully considered decision which was necessary due to increased print, operational and of course postage costs. It's still the lowest philatelic buyers premium in New Zealand and we note that some overseas philatelic auction houses setting theirs as high as 25%. We'll always work hard to provide the very best quality catalogues, ensure that lots are estimated conservatively, described accurately and most importantly ensure that our two Public Auctions each year contain a substantial offering of material that appeals to our broad international client base.

As with our Postal Auctions, scans are available for most items - please contact the office as soon as possible with your requests to ensure that you have as much as possible to consider your bids prior to the auction.

There are several options for those wishing to view items prior to the auction. Clients can visit our Newmarket Offices by appointment anytime until 12 Noon Thursday March 16, 2017. Alternatively all lots will be available at the office as follows:

Friday March 17 8.30am - 4.30pm

For those unable to attend, there is a bid form included with this catalogue - please complete this as you would for one of our Postal Auctions and we will bid on your behalf on the day of the auction. It is vital that all Postal Bid Forms reach us no later than **10am, Saturday, March 18, 2017** - preferably earlier. Phone bidding is available on the day - please contact the office to arrange.

NEW ZEALAND PICTORIAL STAMPS-1935

Mr W. Hudson
Shakeloe St.
Wanganui East

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. The left edge of the page shows the binding structure, including what appears to be a metal clip or staple used to hold the page in place. The overall tone is warm and yellowish-cream.
