MICHAEL HARDER JULY 2, 1945 - JULY 5, 2014

It is with great sadness that we report the death of long time Auckland City Stamps employee Michael Harder on July 5, 2014 after a long illness. Michael worked at Auckland City Stamps for over 15 years and was a valued part of our team. Michael had a photographic memory and an encyclopedic knowledge of New Zealand and World philatelic stamp and postal history material. Michael's personal philatelic interests extended across postcards and postal history of Auckland's Onehunga suburb. Michael was also a very keen book collector and had an outstanding collection of rare, early books from New Zealand and around the Pacific.

Over the years Michael made many wonderful discoveries in the 'back room' at Auckland City Stamps and he was always an enthusiastic part of the team ready to help out and participate where ever he was required. In later years Michael provided much needed proof reading assistance across our Auction Catalogues and ACS Colour Catalogue of New Zealand Stamps. In his final months we kept him up to speed with the exciting news of our acquisition of Campbell Paterson and right until the end he continued to offer advice and comment on the goings on at Auckland City Stamps. His dry wit and fast humour will be missed.
