AUCKLAND CITY STAMPS PUBLIC STAMP AUCTION

SATURDAY MARCH 19, 2011 - COMMENCING 1PM
HOPETOUN ALPHA, 19 BERESFORD SQUARE, AUCKLAND CENTRAL

Welcome To Our First Public Auction. We are delighted to present this catalogue containing over 1000 lots of rare and unusual material from New Zealand and around the world. Sourced from over 75 vendors and with over \$930,000.00 in estimates this is without a doubt the highest value catalogue we have produced.

In line with many Public Auctions around the world there is a 10% Buyer's Premium that will be added to the hammer price of every lot in this auction. For New Zealand bidders, GST will also be added to the Buyer's Premium only (not the hammer price). Please see over the page for full terms and conditions of this auction.

Included in the auction is material from the estate collections of Allan P. Berry. A formidable collector for over 50 years, Allan built up not only a Gold Medal collection of New Zealand Life Insurance material, but also significant holdings of Official Mail and New Zealand Postal History. We are honoured to be able to offer this material for auction on behalf of the estate.

The auction opens with a wonderful selection of over 150 collection and accumulation lots – made up of extensive one country collections as well as some more bulky mixed country cover and stamp lots. The rest of the auction follows in a logical order from alphabetical World material through to New Zealand stamp and postal history items. There is a small literature section at the end of the catalogue.

As with our Postal Auctions, scans are available for most items. However if you would like scans please contact the office as soon as possible to ensure that you have the information you require to consider your bids prior to the auction.

There are two options for those wishing to view items prior to the Auction. First of all you can visit our Newmarket Offices by appointment anytime until 12 Noon Thursday March 17, 2011. Alternatively all lots will be available at the venue as follows:

Friday March 18 9:30am – 4:30pm
Saturday March 19 8:30am – 12.30pm

On Saturday (the day of the auction) we have secured on site car parking for 60 vehicles – this parking is not available on Friday March 18.

For those unable to attend, there is a bid form included with this catalogue – please complete this as you would for one of our Postal Auctions and we will bid on your behalf on the day of the auction. It is vital that all Postal Bid Forms reach us no later than 10am, Saturday, March 19 – preferably earlier. Phone bidding is available on the day – please contact the office to discuss.

We wish you every success in this our first Public Auction and hope to see you in Auckland on March 19.

David Holmes

Nigel Shanks
