# The Odenweller Reference Collection

## Public Auction

Bob purchased his first Chalon in 1953 and in the years that followed the collection developed into a national exhibit that received the APS Champion of Champions award in 1973. Bob was elected to the roll of Distinguished Philatelists in 1991 and has received the Luff and Lichtenstein awards as well as both FIP Medals for Service and for Research. In 2007, he was elected an Honorary Fellow of the Royal Philatelic Society of London.

In 1975 Bob sold his general collection and after two years made the decision to commence a reference collection of all listed varieties in the Campbell Paterson catalogue. At first it was to have one example either unused or used of every shade and variety before 1900. After starting that way, it was apparent that one would not do, as the range of shades within the 'family' might not be as distinctive without having more.

Bob's reference collection represents an opportunity for New Zealand collectors to own material from one of the great reference collections of New Zealand stamps ever assembled. The collection has been housed in six Frank Godden Albums covering the period 1855-1935. Along with these albums there are major collections of exhibits of the 1898 & 1935 Pictorials. The most extensive part of the collection is the Imperf & Perforated Full Face Queens showing a vast array of shades of all printings, some purchased from the late Marcel Stanley's collection, with mint and many used examples.

One has to admire the care and attention that Bob has taken to put together this collection. The quality and condition is very high across all of periods covered; from the conservatively priced printings to the great rarities. This and subsequent Auction & Private Treaty catalogues will surely become future reference catalogues for all specialised and semi-specialised collectors of New Zealand stamps.

Selected items from this collection, painstakingly put together over 5 decades, are being offered for sale by Public Auction with Live Bidding by Campbell Paterson and Auckland City Stamps.

Each item, regardless of price, sold by Auction or Private Treaty will be accompanied with a Special Certificate with description and CP Number stating it is from the Odenweller Reference Collection.

Robert P. (Bob) Odenweller

# Welcome To The Odenweller Reference Collection Public Auction

**SATURDAY AUGUST 28, 2021 - COMMENCING 10.00AM**

**Auckland City Stamps, 1 Ngaire Avenue, Newmarket.**

Welcome to our Special Public Auction featuring the first part of the Bob Odenweller New Zealand Reference Collection. This auction contains 478 selected items featuring Imperf & Perforated Full Face Queens, 1898/07 and 1935 Pictorials and more with estimates totalling just over \$900,000.00.

Most importantly, each lot from this auction will be accompanied with a **Special Certificate** illustrating and describing the item as well as stating its lot number and verifying that it was a part of the Bob Odenweller Reference Collection.

It has been a pleasure to put together one of the strongest offerings of early New Zealand stamps to come to the market in recent years. Handling this material has to be one of the major highlights of David's career as a stamp dealer of more than 40 years. It is wonderful to be able to offer a collection of such depth and quality.

We have taken some time to describe and illustrate most items in this important Reference Catalogue and we expect a great deal of interest in each section of the catalogue from collectors both in New Zealand and overseas.

With this in mind we are (for the first time) offering LIVE ON LINE BIDDING in this auction, with instructions on how to register and participate in this catalogue and on our web site. This means that in addition to live on line bidding, clients can choose to attend the auction at our Newmarket offices, post, email or fax their bids, register as a phone bidder or enlist the services of either of our two auction agents:

**Mark Benvie (NZ)**  
markbenvie@icloud.com

**Charles (Chuck) Cwiakala (USA)**  
CECwiakala@aol.com

Please note that any bids sent by e-mail will be confirmed by us. If you do not get a confirmation please resend your email or contact the office.

There is a buyers premium of 15.5% on the hammer price for all successful Live Auction Bidders with all other bidders paying a 12.5% Buyers Premium on the hammer price. GST will be added to the buyers premium only for New Zealand registered bidders. Please ensure you review the auction terms and conditions over the page before bidding.
