Auckland City Stamps Public Stamp Auction

Session 1 10am Saturday June 18, 2022 **Session 2** 10am Sunday June 19, 2022

Auckland City Stamps, 1 Ngaire Avenue, Newmarket.

Welcome to our latest Public Auction featuring the New Zealand Full Face Queen Collection formed by the late George Branam as well as other New Zealand Stamp Rarities. The Major Public auction contains 967 lots with estimates totalling just over $1,300,000.00 and is our largest ever in terms of estimates.

The auction will be carried out in two sessions over the weekend of Saturday June 18 and Sunday June 19.

Session 1 commences at 10am Saturday June 18 and will offer the outstanding Collection of New Zealand Full Face Queens formed by the late George Branam. George formed his collection in the 1960s and 1970s with both Mint & Used examples as well as many covers. The collection shows a wide range of shades, the local experimental separations before the introduction of the Official 12 1/2 perforations, the latter unusual combinations, and papermakers' watermarks. A lot of care has been taken to acquire the best examples of each printing or shade throughout the collection. There are many outstanding items offered, many from famous collections.

George Branam was a leading figure in the Collecting of New Zealand Stamps & Postal History. Along with Bob Odenweller, he was an advocate for New Zealand Philately in the United States. George's background was as a Dean of Academic Affairs at Louisiana State University in New Orleans. He was made a fellow of the Royal Philatelic Society of NZ in 2008. Campbell Paterson Ltd sold his collection in 2007 and it is basically intact apart from just a few items that were sold separately at the time. With the current owner of the collection now deciding it is time to sell there is a rare opportunity for collectors to purchase some exceptionally fine items that have not been seen on the open stamp market for many decades.

Some of the highlights from the collection being offered in Session 1 are:
