The Klaus Moller Chalon Collection: Lots 330 - 562

Klaus is a Danish-born New Zealander. His parents emigrated from Denmark to NZ in 1954 when he was six years old and he grew up in the Waikato area (mainly Huntly); later taking a B.E. Hons and PhD degree in Chemical & Materials Engineering at Auckland University. Klaus' wife Kirsten is a New Zealand born Dane. His whole family (two daughters and four grandchildren) all have dual New Zealand/Danish citizenship and all currently live in Denmark, coming home to New Zealand at regular intervals for holidays.

Throughout the whole of his career Klaus worked in research and research management in the paper industry - in New Zealand, Sweden, Denmark, and Norway. Like many other youngsters at that time, he started collecting stamps at around the age of 7 with that interest continuing ever since, albeit with fairly low activity during education, career, and family responsibilities. However, it blossomed

again after retirement about 12 years ago. During this life-long process Klaus' collecting interests became narrower and deeper, eventuating in an almost total focus on the New Zealand Chalons for the last 8 years or so.

Klaus' Chalon exhibit has scored Gold and Large Gold medals at National Exhibitions, and a Gold medal at an International Exhibition. Nowadays his main interest is research in philatelic, postal history, and marcophilic aspects of the Chalons as well as writing articles about new findings for philatelic journals in New Zealand (The New Zealand Stamp Collector and The Mail Coach) and in the United Kingdom (The London Philatelist and The Kiwi). So far Klaus has authored or co-authored about 65 articles on Chalons alone, and, in addition, about 15 on other NZ topics (mainly modern CALs, APOs and intriguing withdrawn issues).

Klaus' main basic contribution to the hobby is a census of known covers bearing Chalon stamps, which now lists details for about 4,500 items and which is an excellent research database.

Klaus is a Fellow of both the RPSNZ and RPSL.
