Conditions of Sale

1. Bidding

All Bids must be made in New Zealand Dollars.

Bids can be made above or below our suggested estimate. Our estimate prices are a guide for your bidding and are conservative compared to retail prices.

Please tick the appropriate 'Percentage Increase' box on the bid form if you would like us to increase bids on your behalf in order for you to win the item.

Reserves are normally set at 80% to 90% of estimate.

We do not **under any circumstances** accept bids under 80% of the estimate.

In the case of a tie, the first bid received will win the lot.

Buy Bids are accepted but are subject to our discretion.

Successful bidders will pay the lowest possible price for any lot. Generally this will be either the reserve, the estimate or 10% above the second highest bidder.

By placing bids, the bidder is entering into a legal and binding contract to purchase all the lots won in the sale.

We accept bids by:

5. Catalogue Listings

When describing lots we generally use the latest edition of either The Auckland City Stamps Colour Catalogue of New Zealand Stamps, Stanley Gibbons World & British Commonwealth Volumes or The Campbell Paterson Catalogue Of New Zealand Stamps.

6. Return Of Lots
