All Bids must be made in New Zealand Dollars.

Bids can be made above or below our suggested estimates. Reserves are set at 80% of the estimate. We do not under any circumstances accept bids under 80% of the estimate. Buy Bids are NOT accepted in our Auctions. Successful bidders will pay the lowest possible price for any lot. This will be either the reserve or one increment above the second highest bidder. By placing a bid, the bidder is entering into a legal and binding contract to purchase all the lots won in the auction.

Percentage Increase

Please tick the appropriate 'Percentage Increase' box on the bid form in order for you to have a better chance at winning the item.

Multiple Lots

We reserve the right to sell more than one lot where multiple lots are available. We will only exercise this right when such lots are identical to the description.

Purchase Limit

You may nominate a 'Maximum Purchase Limit' by filling in the amount on the front of the bid form. When the limit has been reached we will cancel all subsequent bids.
